

Get the best of both worlds! If you're up for an adventure, you have time to spare and want to do it your way then this one is for you. With this adventure the only difficulty is the choice.

Take in the best north east Victoria has to offer with your choice of horse riding the hills of wilderness or rafting river rapids, then choose pedal power and cycle forests of old or abseil up to (should that be down to..!) 25 metres from cliff faces with outstanding views below.
