This is one of our more popular abseils due to its achievable nature for all fitness levels yet still

offering the thrill and adventure being located at the edge of the 300m (984ft) Mt Buffalo Gorge.

We begin the adventure on our beginner's 25m (82ft) abseil site. From there, we work through a range a single pitch abseils to the awesome 45m (147ft) freefall abseil 'The Dragon'. After lunch, we complete these abseils then travel to the bottom of the gorge on our 250m (820ft) multi-pitch alpine abseil. Three pitches are involved, the longest more than 90m (295ft).

Afterwards, we walk back to the top of the gorge through granite boulders, cliffs and ledges.
