Wilderness

The Mitta Mitta River is rated as one of the world's top five river journeys. This wild waterway descends through Alpine National Park and one of Australia's most spectacular granite ravines.

The natural environment providing remarkable Rock formations, Crystal clear water, Inviting pools and Wildlife such as the Shy Platypus, Superb Lyrebird, Gang Gang Cockatoos and Red Necked Wallaby.

The Mitta Mitta is an ideal experience for the inquisitive traveller wishing to indulge in an authentic Australian journey. Our highly experienced guides who have explored these rivers countless times will arm you with all the skills & equipment to ensure you have a once in a life time experience.

Australia's classic whitewater journey

The Mitta Mitta boasts one of the highest 'put-ins' in Australia at 680m in elevation. The continuous grade 2-3 rapids make for a wild descent off the Great Divide. Plummeting between intricate rock formations for 18km will certainly ensure your adrenalin hits overdrive. You'll tackle grade 2 and 3 rapids such as Graveyard, the 'S' bend, Bump and Grind, Big Stopper, Dislocation, The waterfall, Gobbler and Three plus.

These technical rapids require many manoeuvres and are guaranteed to test the skills of the most experienced rafters.

History and Culture

During this trip, Australian history comes to the fore, as you will have the rare opportunity to explore 19th century miners' diggings. Afterwards, you can relax and enjoy the grandeur of the steep bare rock gorges which characterise this wilderness area.
