- Towering granite river gorges
- Small group bookings only and tailor made itineraries
- Overnight accommodation in cabins at the Omeo caravan park included or you can upgrade to a Motel for as little as \$15.00pp inc GST

From rapids named - long and strong, rapid of truth, and pinball all the way to lose your breakfast, bump and grind, graveyard and widow maker.. these two days are made for your weekend away.

The day starts at 8.30am with meeting our professional team at the Rafting Australia's base in the township of Hinnomunjie.

Your trip leader for the day will take you through a full safety briefing, gear you up in all the latest high technical equipment and then entertain you on your bus journey to the river surrounded by the majestic Alpine National Park.

Once in the river, the group is divided into teams of 6 and under. First the groups trains with their guide on paddling techniques and procedures from moving around in the raft and then the adventure begins.

Lunch is provided and enjoyed on the river bank.

At the end of the tour everyone is transferred back to the base for afternoon tea and a good laugh at the photo's that have been taken during the day
