

This national park has become world-famous as a destination for rock climbers and abseilers. They're drawn to the sheer granite cliffs of Mt Buffalo, the extraordinary views to the Victorian and New South Wales alps, the wildlife, waterfalls, snow gums and summer wildflowers.

Adventure Victoria has three abseiling trips to Mt Buffalo: the [1-day Adventure Abseiling](abseiling/abseiling-mt-buffalo-victoria-beginners-abseiling-adventure-tours-mount-buffalo-australia.html) at Mt Buffalo, an exhilarating but achievable adventure; the [1-day Multi-pitch Abseiling](abseiling/multi-pitch-abseiling-at-mt-buffalo-adventure-rock-climbing-in-victoria-australia.html) at Mt Buffalo, which builds up to a 250 metre abseil; and the [1-day Mt Buffalo 300 metre abseil](abseiling/adventure-abseiling-victoria-thrilling-rock-climbing-tours-at-mt-buffalo-victoria.html) which includes a 1/2 day of preparation before four pitches on the second day.
